

Get the Most Out of the Final Weeks of this Application Season

Important Reminders to Help You Complete the Process

Use Your Available Program Options

Families can select and rank up to 20 non-selective enrollment programs and, if they are eligible, up to 6 selective enrollment programs. Be sure to apply to as many programs as you would accept an offer from, as this will maximize your chances of receiving an offer.

There's Still Time to Make Changes

Applications can be modified up until the December 22 deadline. You may want to add a program to your list, or you may want to change the ranking of the programs to which you've applied. If you applied using the online application site, you can simply log into your account and make those changes. If you applied via paper application, you will need to request an Application Modification Form from the Office of Access and Enrollment. Contact them at [773-553-2060](tel:773-553-2060) or gocps@cps.edu.
